Sk 15,-

A photograph showing two astronauts in white space suits working on the Hubble Space Telescope. The telescope is a large, cylindrical structure with a complex network of pipes and instruments. One astronaut is positioned near the top of the telescope, while the other is lower down. The background is the Earth's surface, showing blue oceans and white clouds against the blackness of space. The title 'HST po opravě' is overlaid in large yellow letters at the bottom right.
